Rick, thanks. Can we tie in Ray McAllister for that as well? Later today would be good. I have time on Monday as well, but the sooner we try to address this issue, the better. If there is a time that can work, I can send out a dial-in number

Steve S. has done some considerable research and it looks like we may have already provided technical assistance to the PRIA Coalition on this issue. From what I have seen, many of the same challenges that we identified in our previous technical assistance remain.

Perhaps we can find some time to chat either later today or early next week? Steve S. may have a little more availability to discuss this today as I have several meetings downtown today.
